VOLUNTEERING IS LIKE....

A DAY IN THE PARK!

Would you like to be a part of the future of Buffalo's Olmsted Parks--

The Olmsted Conservancy is looking for volunteers who share their vision of restoring and revitalizing the Olmsted Parks. The Olmsted Parks are America's oldest coordinated network of parks and parkways designed by the celebrated landscape architect Frederick Law Olmsted. Listed on the National Register of Historic Places, the park system is a significant local, regional and national asset.

Join the Olmsted Volunteer Team today! Meet a diverse group of people who put their hearts, minds, and muscle to bring our Olmsted Parks a future as glorious as our past.

There are several ways that you can help...

Zone Assistants: If you love working in the earth, you can assist zone gardeners to help meet the horticulture and maintenance needs of your own special zone in the Olmsted Park system. Help to restore woodland, meadow, or perennial areas that were part of Olmsted's original plan. Zone Assistants can work flexible hours during weekdays, 8:30am-3:00pm.

The Green Team: Work with a group of volunteers to complete large-scale horticultural and maintenance needs throughout the Olmsted Park system. Projects are held Saturdays, 10:00am – 1:00pm. Help only once, or several times!

Office Assistants: Provide valuable support in the administrative and management offices of the Buffalo Olmsted Parks Conservancy, located in the Lodge in Delaware Park. Help is needed weekdays, 9:00am-5:00pm.

<u>Special Events</u>: Promote appreciation for the Buffalo Olmsted Park system and support public participation of Park events. Assist with event set-up, registration, auctions, raffles, decorations, and much more.

For more information on how you can become part of the Olmsted Volunteer Team, call the **Retired & Senior Volunteer Program at 858-7548**. Sponsored by Erie County Dept. of Senior Services, RSVP connects volunteers age 55 and over with various opportunities to help throughout the community.
